Mr. L. V. Maloy
General Counsel
U.S. Civil Service Commission
Washington 25, D. C.

Dear Mr. Maloy:

On my return from vacation I found your paper on the subject of Procedural Due Process in Removals from the Federal Service. This is a most interesting document, and we have found it extremely useful in considering the somewhat specialized problems of this Agency. I very much appreciate your sending it to me.

Very truly yours,

Lawrence R. Houston
General Counsel
